Check here if you give permission for STA to provide your address/phone number and/or email address to other retired members upon request.

The following questions are optional. However, if you would be so kind to answer them we will be able to provide an update on our webpage so that other retirees may keep informed as to what you are doing.

- Since you retired, what have you been doing? Have you travelled to any exciting places? Played a lot of golf or other activity? Did you do anything connected to the field of education? (use back of paper if necessary)

- Are there any retired teachers that you have lost track of and with whom you would like to re-connect? List below...Perhaps we can find their addresses:-

- Do you have any pictures of yourself that we may post on our site? You may email them to Carol Carelli at ccarelli@nycap.rr.com or send them to me at my home address. I will scan them and then return them to you. Please make sure that your name and address are on the back of the photos. Also please identify the people in the pictures.

If you would prefer to email me the answers to the above questions, you may do so (email above).

We appreciate your assistance as we get this portion of our website up and running. Check out www.schalmontta.org regularly and let us know if you would like any information posted (such as the date for next year's luncheon, etc.)

We look forward to hearing from you soon.

Sincerely,

Carol A. Carelli (formerly Fonda)
